**Re: Freedom of Information Request FOI 4102**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 07th November 2019.

Your request was as follows:

1. "Since 01 January 2017, please specify the number of individual cases where the Court has had to intervene in the treatment of a critically ill child, when there has been a difference of opinion between parents and doctors, over the course of treatment for that child?"

The Walton Centre NHS Foundation Trust (WCFT) is a Specialist Neuroscience Tertiary Care Centre; for the treatment of adults. WCFT does not provide treatment for children, therefore we cannot provide this information.

Please see our response above in [blue](#).

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.
