

To whomsoever this concerns:

I am interested in the purchases made recently by the trust in terms of software solutions.

For your trust, could you give me the following details for each hospital in your trust:

1. What is the pan-hospital electronic health record software? eP2
  - 1.1. What are the start and end dates of this? N/A – Developed in-house
  - 1.2. What is the cost of acquisition of this system? N/A – Developed in-house
  - 1.3. What is the annual licence cost of this system? N/A – Developed in-house
  
2. For ACUTE HOSPITALS ONLY, for each of the departments highlighted below, I would like the following information on a hospital level:
  - 2.1. What software solutions are implemented in the department? N/A
  - 2.2. What are the start and end dates of this? N/A
  - 2.3. What is the cost of acquisition of each of these systems? N/A
  - 2.4. What is the annual licence cost of this system? N/A

Departments for which information is sought:
