Re: Freedom of Information Request FOI 4088

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 24th October 2019.

Your request was as follows:

1. Do you have a corporate affairs department? If so - could you please send a structure chart or, if not, details of what disciplines are included within that department e.g Legal Services/Communications etc

The Walton Centre Foundation Trust (WCFT) does not have a corporate affairs department. The Directorate of the Director of Nursing and Governance contains the corporate governance function, legal and risk. The Communications Team sits within the Workforce and Innovation Directorate.

2. Do you have a corporate governance department? If so - could you please send a structure chart or, if not, details of what disciplines are included within that department e.g Legal Services/Communications etc

The Corporate Secretary reports to the Director of Nursing and Governance and within that team is a membership/corporate governance assistant. This team deals with the constitutional matters of the Board of Directors and the Council of Governors.

The relevant structures are attached.

Please see our response above in blue.
