Re: Freedom of Information Request FOI 4546

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 01st December 2020.

Your request was as follows:

Please can you tell me, for each of the last five calendar years, including this one to date, how much has been spent by your trust on correcting cosmetic procedures?

In addition, if possible, can you break down the type of operation or procedure, and specify where the original operation took place, either in the UK or abroad.

[The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we would not receive referrals to treat patients for correcting cosmetic procedures, therefore we cannot provide this information.](#)

Please see our response above in [blue](#).

Re-Use of Public Sector Information

All information supplied by the Trust in answering a request for information (RFI) under the Freedom of Information Act 2000 will be subject to the terms of the Re-use of Public Sector Information Regulations 2005, Statutory Instrument 2005 No. 1515 which came into effect on 1st July 2005.

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.

Further information can be found at www.opsi.gov.uk where a sample license terms and fees can be found with guidance on copyright and publishing notes and a Guide to Best Practice and regulated advice and case studies, at www.opsi.gov.uk/advice/psi-regulations/index.htm
