Re: Freedom of Information Request FOI 4217

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 29th January 2020.

Your request was as follows:

a) How does your Trust centrally record the location of patients who have not been assigned a bed in A&E departments? For example - do you record the location of patients who are assigned trolleys in corridors and would you label this location as "the corridor" or "caring corridors"?

[The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not have an Accident & Emergency Department, therefore we cannot provide this information.](#)

b) How many patients have been assigned beds or trolleys in these areas for each of the past 3 years, 2017, 2018, 2019?

If the cost of providing this information for four financial years is too high, please provide the data for the last year only.
