Re: Freedom of Information Request FOI 4325

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 06th May 2020.

Your request was as follows:

What I would like is a total inventory count of the amount of each Equipment Type you have for all of your wards in the following categories:

- General Medical Ward
- General Surgical Ward
- Paediatric Ward

Please do not include any other areas such as Critical Care, Theatres, SCBU. Please record the number of total number of beds in each Ward Category.

The Equipment Types I have chosen are as follows:

- Point of care monitor - Stand-alone Point of Care Monitoring used for spot checking such as GE Dinamap (minimum specification Pulse Oximetry, NIBP)
- Temperature type devices - Stand-alone thermometer use at the point of care such as Genuis 3,
- Physiological monitor - Stand-alone ward monitoring which includes ECG, Respiration, Pulse Oximetry, NIBP, [IBP] including any telemetric monitoring reporting to a local central station.
- Infusion Pump- Stand-alone volumetric infusion pump of any kind that plugs into a mains power supply such as Carefusion GP
- Syringe Pump- Stand-alone syringe pump of any kind that plugs into the mains power supply such as Carefusion CC
- Falls Alarm type device - any stand-alone falls alarm which does not form part of another piece of equipment such as a bed.

- Patient Scales - any stand-alone device that is capable of weighing a patient at Class III or better, that is not part of another piece of equipment such as a bed or a hoist
- Patient Hoist - any hoist capable of lifting a patient from a bed. Please do not include standing or bath hoists.
- Defibrillator - any device capable of defibrillating a patient, including AEDs.

Please see attached spreadsheet:

[Please see attached spreadsheet for response.](#)

Please see our response above in [blue](#).

Re-Use of Public Sector Information

All information supplied by the Trust in answering a request for information (RFI) under the Freedom of Information Act 2000 will be subject to the terms of the Re-use of Public Sector Information Regulations 2005, Statutory Instrument 2005 No. 1515 which came into effect on 1st July 2005.

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.

Further information can be found at www.opsi.gov.uk where a sample license terms and fees can be found with guidance on copyright and publishing notes and a Guide to Best Practice and regulated advice and case studies, at www.opsi.gov.uk/advice/psi-regulations/index.htm

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to the Freedom of Information Office at the address above.

Please remember to quote the reference number, FOI 4325 in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioners Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely

Mike Burns

Mr. Mike Burns, Executive Lead for Freedom of Information
