Re: Freedom of Information Request FOI 4346

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 26th May 2020.

Your request was as follows:

I want to submit a request for some information from the organisation, in relation to their contract's register.

The contract register should display all the organisations existing/live contracts I would like the register to display the following columns/headings:

1. Contract Reference
2. Contract Title
3. Procurement Category
4. Supplier Name
5. Spend (Total or Annual)
6. Contract Duration

7. Contract Extensions

8. Contract Starting Date

9. Expiration Date

10. Contract Description [Please provide me with as much detail as possible.]

11. Contact Owner (Full contact details if possible.)

12. CPV codes/ProClass

IMPORTANT

•For those organisation

planning to make an exemption around spend, the spend information I have requested is an overall figure and I am not requesting a complete breakdown of services relating to the spend.

Please find attached excel document. Please note that Question 3 - we do not currently record our contracts by category, but they are recorded by Division which has been included.

Question 12 - we do not record CPV codes on our contracts register therefore we cannot provide this information.

2. If the organisation has a CRM system or a similar system there should be a facility to download and extract contract data.

3. You may forward me a Weblink to a portal to download the contract register, please make sure all of the organisation's contracts are provided as doing prior research I have found that most organisations have only uploaded a small portion of all of their contracts.

13. Can you also provide me with contact details of the person responsible for the actual contract's register or someone responsible for API? [Name, Job Title, Telephone, Email Address] At the very least provide me with their actual job title.

(Meaning of API "a set of functions and procedures that allow the creation of applications which access the features or data of an operating system, application, or other service.")

Katie Tootill - Head of Procurement - The Walton Centre NHS Foundation Trust does not disclose individual staff members contact details. You can write to staff using the address above or alternatively email enquiries@thewaltoncentre.nhs.uk asking for your correspondence to be forwarded on.

Please see our response above in [blue](#).
