We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 11th September 2020.

Your request was as follows:

I am referring to 'STP' as per NHS England's definition' STP stands for sustainability and transformation partnership. These are areas covering all of England, where local NHS organisations and councils drew up shared proposals to improve health and care in the areas they serve. Which STP is the Trust linked with?

Please could you provide names, contact email addresses if possible, and also where the contact is based, for the following STP roles:
