Re: Freedom of Information Request FOI 4702

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 21st April 2021.

Your request was as follows:

I want to submit a request for some information from the organisation, in relation to their contract's register.

You may have received the same request in the past and this information sent has now expired and I require an update as soon as possible for the following information

The FULL contract register should display all the organisations existing/live contracts I would like the register to display the following columns/headings:

1. Contract Reference -Unique reference number associated with the contract.
2. Contract Title
3. Procurement Category -Please state the category name of the contract, I wish to know the category the contract is under.
4. Supplier Name
5. Spend (Total or Annual)
6. Contract Duration
7. Contract Extensions
8. Contract Starting Date
9. Expiration Date
10. Contract Description [Please provide me with as much detail as possible.]

11. Contact Owner (Full contact details if possible.)

12. CPV codes/ProClass

IMPORTANT

1. For those organisations planning to make an exemption around spend, the spend information I have requested is an overall figure and I am not requesting a complete breakdown of services relating to the spend.

2. If the organisation has a CRM system or a similar system, there should be a facility to download and extract contract data.

3. You may forward me a Weblink to a portal to download the contract register, please make sure all of the organisation's contracts are provided as doing prior research I have found that most organisations have only uploaded a small portion of all of their contracts.

Please do not think that this is the only information I require if you could provide me with more information that would be great.

Contract Data/API Contact Details

13. Can you also provide me with contact details of the person responsible for the actual contract's register or someone responsible for API? [Name, Job Title, Telephone, Email Address] At the very least provide me with their actual job title.

(Meaning of API "a set of functions and procedures that allow the creation of applications which access the features or data of an operating system, application, or other service.")

Please provide me with the contract's register file in an excel format.

[Please see attachment.](#)

Please see our response above in [blue](#).
