Re: Freedom of Information Request FOI 4712

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 26th April 2021.

Your request was as follows:

I would like information on how many patients have been admitted into A&E to have an item (foreign object) removed from their rectum since the 26th of April 2018.

If possible, I would like to have details as to what this object was, and whether the patient was male or female. Any other information you can provide is always grateful.

[The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not have an Accident & Emergency Department.](#)

Please see our response above in [blue](#).
