Re: Freedom of Information Request FOI 4604

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 02nd February 2021.

Your request was as follows:

I'm writing to you under the Freedom of Information Act (2000) to request information on the usage of certain types of Ventilator within your Trust, based on the models acquired during the ventilator challenge specifically relating to:

- the Penlon ventilators,
- The Breas Ventilators,
- The Smiths Medical Ventilators,
- and the CPAP non-invasive units.

I'd like to know, if possible:

- how many of the various invasive models were used within your trust vs how many were ordered (the Penlon units being the most important with regards to this).

[The Walton Centre NHS Foundation Trust did not acquire any invasive ventilators from the manufacturers listed during the ventilator challenge.](#)

- the cost per unit breakdown.

N/A

- The survival / rates of recovery for those ventilated.

N/A

I'd also like to enquire if there has been an uptake in the non-invasive units for the second wave of battling the pandemic.

There has been no uptake of non-invasive units for the second wave of the pandemic.

Please see our response above in [blue](#).
