Re: Freedom of Information Request FOI 4615

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 08th February 2021.

Your request was as follows:

1. The spending per financial year on translation services (written) and interpreting services (oral) for your organisation over each of the following 5 financial years: 2015/2016, 2016/2017, 2017/2018, 2018/2019, 2019/2020, as well as the languages involved. Please do not include data regarding the spending on services for the deaf and blind (such as sign language interpreting or Braille).

[Please see attachment.](#)

2. The total budget for your organisation for each of the 5 financial years the information above is provided on, for all expenses not just for translation and interpreting services, i.e. to include all expenses such as salaries, utilities, equipment, consumables etc., with only the total figure given, no breakdown necessary. For example, I assume the total budget would be a few dozen or hundred million pounds per financial year.

I would appreciate it if you could fill in and return the attached Excel document with the information requested (only the first tab, named Data). The second tab, named Example, is just an example of what I am looking for in terms of the information provided.

Please see our response above in [blue](#).
