We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 15th February 2021.

Your request was as follows:

Please can you send me examples of the following:

1. Letters sent to expectant women advising of screening tests following combined/quadruple screen testing for Down Syndrome. I understand the letter may be different depending on whether results are low or high chance so please send examples of each.

[The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not have a Maternity Unit. Therefore we cannot provide this information.](#)

2. Letters/results from Non-Invasive Prenatal Testing (NIPT), again high and low chance examples if different.

3. Examples of information eg. letters, leaflets, signposting etc. shared with expectant women about these tests (combined/quadruple screening and NIPT).

[N/A](#)

4. Any information shared with expectant women about Down Syndrome itself (including guidance on pregnancy/care when given an antenatal diagnosis).
