Re: Freedom of Information Request FOI 4792

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 01st July 2021.

Your request was as follows:

What proportion of stroke patients have been able to access in-person community based stroke rehabilitation care in the last 12 months, compared to the previous 12 months?

Here at The Walton Centre NHS Foundation Trust we do not collect information relating to diagnosis or in relation to ongoing community care for acute inpatients. And WCFT does not admit a high number of 'Stroke' patients as these usually go to an acute Stroke Unit such as Aintree, please see figures below:

WCFT can identify 163 patients who have had a diagnosis of stroke.

Please see our response above in [blue](#).
