Re: Freedom of Information Request FOI 4796

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 06th July 2021.

Your request was as follows:

We are making a freedom of information request about endo urological procedures delivered annually by your hospital/Trust. Please find attached a list of the procedures and associated HRG codes.

- Please can you let us know how many of each of these procedures you actually delivered in 19/20 and 20/21.
- Please can you also tell us how many of each of these procedures were cancelled on the planned day of delivery as a result of the patient having a UTI, in 19/20 and 20/21

The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not perform endo urological procedures, therefore we cannot provide this information.

Please see our response above in [blue](#).

Re-Use of Public Sector Information

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.

Further information can be found at www.opsi.gov.uk where a sample license terms and fees can be found with guidance on copyright and publishing notes and a Guide to Best Practice and regulated advice and case studies, at www.opsi.gov.uk/advice/psi-regulations/index.htm

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Yours sincerely
