**Re: Freedom of Information Request FOI 4819**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 20th July 2021.

Your request was as follows:

Can you provide details of the number of persons transferred from the Isle of Man to the Walton Centre for emergency/specialist treatment/rehabilitation (consequent or return attendances need not be included) in each of the last 5 full calendar years.

Any available breakdown of this information in relation to age, gender, length of stay, outcome etc. would also be helpful.

[Please see attached.](#)

In addition, if there is any information available as to the prevalence of such referrals from the Isle of Man when compared to other areas from which patients are transferred to you for such treatment that would also be very helpful.

[The Walton Centre NHS Foundation Trust is a specialist Trust, so if patients from the Isle of Man have neurological issues, they would come to us. Patients in the local area would come to us too.](#)

Please see our response above in [blue](#).

**Re-Use of Public Sector Information**

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.
