**Re: Freedom of Information Request FOI 4953**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 16th November 2021.

Your request was as follows:

Does the Trust offer Preterm Prevention Clinic for pregnant women?

If so what inclusion criteria is it set against, what is the caseload capacity and do you have any data on success rate supporting this intervention?

Is this in addition to the implementation of continuity of care model which was requested by the government? If so do you have the information on the interventions being used together for reducing preterm birth?

*The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not offer maternity and obstetrics services, therefore we do not provide preterm prevent clinics and cannot provide any information.*

Please see our response above in [blue](#).

**Re-Use of Public Sector Information**

All information supplied by the Trust in answering a request for information (RFI) under the Freedom of Information Act 2000 will be subject to the terms of the Re-use of Public Sector Information Regulations 2005, Statutory Instrument 2005 No. 1515 which came into effect on 1st July 2005.

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.
