Re: Freedom of Information Request FOI 4888

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 13th September 2021.

Your request was as follows:

I understand that information about items of spending over £25,000 is published on the Walton Centre NHS Foundation Trust website. I would like to request some complementary information, if possible.

What I am requesting is a compiled list, ideally in Microsoft Excel format, of your external suppliers which contains the following variables:

- The name of the supplier
- The total amount paid to the supplier during the year 2020 for purchases of goods and services.

This request only regards suppliers to whom the organisation has paid £2,000 or more in total during 2020. If information about any specific supplier is too sensitive to produce, feel free to remove it from any potential list.

[Please find attached.](#)

Please see our response above in [blue](#).

Re-Use of Public Sector Information

All information supplied by the Trust in answering a request for information (RFI) under the Freedom of Information Act 2000 will be subject to the terms of the Re-use of Public Sector Information Regulations 2005, Statutory Instrument 2005 No. 1515 which came into effect on 1st July 2005.

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.

Further information can be found at www.opsi.gov.uk where a sample license terms and fees can be found with guidance on copyright and publishing notes and a Guide to Best Practice and regulated advice and case studies, at
