We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 17th January 2022.

Your request was as follows:

Following the publication of the NICE Pathway 'Major haemorrhaging in hospital' in May 2021, I am writing to enquire if The Walton Centre NHS Foundation Trust has protocols in place for the management of major haemorrhage, the rapid identification of patients taking anticoagulants and the reversal of anticoagulation agents. If such protocols are available, please could I request a copy.

[Please see documentation attached, it should be noted that these documents are currently under review and the finalised copies are not available for release as of yet.](#)

Please see our response above in [blue](#).

All information supplied by the Trust in answering a request for information (RFI) under the Freedom of Information Act 2000 will be subject to the terms of the Re-use of Public Sector Information Regulations 2005, Statutory Instrument 2005 No. 1515 which came into effect on 1st July 2005.

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.
