Re: Freedom of Information Request FOI 5228

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 21st June 2022.

Your request was as follows:

1. How many doctors in the last 5 years have been placed under a formal Trust disciplinary process? If the full timeframe is not available, or data held for a different timeframe, please provide what is available.

I confirm that The Walton Centre NHS Foundation Trust holds the information you have requested. However, I am unable to provide you with that information as I consider that the following exemptions apply to it:

Section 40 (2) - Third Party Data

This information is exempt from disclosure under Section 40(2) of the Freedom of Information Act 2000 (FOIA), due to the minimal number of staff identified as data requested is relating to 1-5 staff members. In answering your query may lead to the undue stress of families and staff as this information may still lead to staff being identified. Therefore this information has not been released for reasons of confidentiality.

This exemption is not subject to the public interest test. This response therefore acts as a refusal notice under section 17 of the FOIA.

2. How many doctors in the last 5 years have been referred to the General Medical Council? If the full timeframe is not available, or data held for a different timeframe, please provide what is available.

I confirm that The Walton Centre NHS Foundation Trust holds the information you have requested. However, I am unable to provide you with that information as I consider that the following exemptions apply to it:

3. What proportion of these local disciplinarys and GMC referrals of doctors are made up of people of Black, Asian and Ethnic Minorities (BAME)? I am happy to receive raw numbers or a proportion of total referrals for each.

I confirm that The Walton Centre NHS Foundation Trust holds the information you have requested. However, I am unable to provide you with that information as I consider that the following exemptions apply to it:
