Re: Freedom of Information Request FOI 5124

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 30th March 2022.

Your request was as follows:

Please include the information for each of the following periods; 2018-19, 2019-20, 2020-21, 2021-22:

- The number of gender neutral toilets installed at the Trust during this time or the number of pre-existing toilets which have been converted into gender neutral toilets. Please do not include disabled toilets in this list.

I can confirm that the Walton Centre NHS Trust has 74 gender neutral toilets 14 in general circulation spaces and a further 60 in departmental spaces. These have all been in situ prior to 2018.

- The cost of installing these toilets or the cost of converting the pre-existing toilets

I can confirm that in 2019/2020, £552 was spent on new signage for each of the Trusts gender neutral toilets.

- Copies of any complaints made to the Trust about these toilets, with any necessary redactions

I can confirm that to date the WCFT has not received any complaints in relation to gender neutral toilets.

Please see our response above in [blue](#).
