**Re: Freedom of Information Request FOI 5447**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 21st November 2022.

Your request was as follows:

I would like to know how much the trust spent on external companies for intraoperative neuromonitoring (IONM) in the financial years 2021-22, 2020-21, 2019-20 and 2018-2019.

The Walton Centre NHS Foundation Trust spent the following on intraoperative neuromonitoring in the financial years requested:-

18/19

MEDTRONIC LTD  £9,000.00

19/20

MEDTRONIC LTD  £18,800.00

20/21

NEURO MONITORING SERVICES LIMITED  £15,400.00

21/22

NEURO MONITORING SERVICES LIMITED  £16,800.00

If possible I would also like to know which companies were used and how much was spent on each company. I would also like to know whether this was for spinal or cranial operations.

The WCFT used Medtronic Ltd and Neuro Monitoring Services Ltd (spend listed above).

I can confirm in accordance with Section 1 of the Freedom of Information Act 2000 (FOIA) that we do not hold the information you have requested as we are unable to identify whether these were spinal or cranial operations; therefore we cannot provide this information.

Under the FOIA, we are not required to create this information in order to answer your request. I should explain that the FOIA is to do with transparency of information held by public authorities. It gives an individual the right to access recorded information held by public authorities. The FOIA does not require public authorities to generate information, or to answer questions, provide explanations or give opinions, unless this is recorded information that they already hold.

Please see our response above in [blue](#).
