**Re: Freedom of Information Request FOI 5454**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 23rd November 2022.

Your request was as follows:

This is an information request relating to the cost of producing an annual gender pay gap report.

Please include the information for each of the following periods; 2019-20; 2020-21, 2021-22:

- The cost of producing each gender pay gap report, including a breakdown of the cost such as the number of FTE staff working on the report and any costs involved with design, printing, distribution

I can confirm in accordance with Section 1 of the Freedom of Information Act 2000 (FOIA) that we do not hold the information you have requested as we only have one band 7 who works on this report alongside their other duties so we are unable to give a figure, there are no further costs associated with the production of this report; therefore we cannot provide this information.

Under the FOIA, we are not required to create this information in order to answer your request. I should explain that the FOIA is to do with transparency of information held by public authorities. It gives an individual the right to access recorded information held by public authorities. The FOIA does not require public authorities to generate information, or to answer questions, provide explanations or give opinions, unless this is recorded information that they already hold.

Please see our response above in [blue](#).

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI).
