Re: Freedom of Information Request FOI 5549

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 20th January 2023.

Your request was as follows:

Under the freedom of information (FOI) Act 2000, I would like to request the following information regarding your NHS Trusts/Boards:

- What are your current skin cancer patient clinical pathway guidelines e.g., from initial patient symptoms in a GP setting to specialist referral as well as treatment and follow-up procedures and protocol. Attached are two outdated CCG (Clinical Commissioning Group) pathway guidelines for reference.
- Does your skin cancer pathway include remote patient-clinic interactions (as opposed to face-to-face interactions), Yes or No and if yes, elaborate what they are and what stage in the pathway they're used e.g., teledermatology (the use of digital photography to assess patient lesions) at the GP stage.
- What were your latest skin cancer pathway guidelines in 2019/2020 prior to the COVID-19 pandemic (announced as a pandemic by WHO on 11 March 2020).

If possible, the preferred format of this information is electronic word document (.doc/.docx) or PDF.

[The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not treat patients for skin cancer; therefore, we cannot provide this information.](#)
