Re: Freedom of Information Request FOI 5647

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 22nd March 2023.

Your request was as follows:

Under the Freedom of Information Act 2000, I am requesting the following information about nitrous oxide monitoring:

- Have you carried out nitrous oxide/Entonox personal sampling in your trust?
- If so, which departments have you carried out personal sampling in?

The Walton Centre NHS Foundation Trust (WCFT) carry out nitrous oxide personal sampling once a year.

- Theatres 1 - 8
- Recovery and Radiology (theatre 7 was not undertaken)

- Did you find high results in any staff members?
- If yes:
 - How many staff members were affected?
 - What was the highest result you found?
 - Were these staff members informed?
 - What action was taken? (e.g. have you installed mobile destruction units?)

The WCFT did not find high results in staff members for nitrous oxide.

- Have you suspended the use of Entonox at your trust?

The WCFT do not use Entonox.

Please see our response above in [blue](#).
