Re: Freedom of Information Request FOI 6032

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 14th November 2023.

Your request was as follows:

In addition to my research, I would also like to research the number of out-of-area (OOA) placements as well as the number of people with a delayed transfer of care (DTC) in an in-patient setting for the following condition:

- i.) Acquired Brain Injuries (ABI) condition - Patients in a level-3 neuro-rehab facility in-patient bed.

I have attached an Excel document that details the information I am looking to obtain and explains what defines out-of-area (OOA) placements and a delayed transfer of care (DTC). I would like to know the current total number of people for both OOA and DTC in each of the conditions listed above.

I can confirm in accordance with Section 1 of the Freedom of Information Act 2000 (FOIA) that we do not hold this information as the Walton Centre NHS Foundation Trust do not have any level 3 Rehab beds. However, Section 16 of the FOIA places a duty on us to provide help and assistance where possible and I am able to advise you that this information may be obtained through Cheshire and Merseyside Partnership on behalf of the Cheshire and Merseyside Rehab Network.

Please see our response above in [blue](#).
