**Re: Freedom of Information Request FOI 5974**

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 06th October 2023.

Your request was as follows:

I am trying to find out what other Trusts do if they undertake weekend or out of hours contrast CT scans in their radiology departments.

The question I want answered is, Is a nurse allocated to the department at weekends or out of hours to support the radiologists or do they cover this service without nurse support?

I can confirm that the Walton Centre NHS Foundation Trust have the SMART team provide nursing cover for contrast studies in CT out of hours.

Please see our response above in [blue](#).
