Re: Freedom of Information Request FOI 5959

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 27th September 2023.

Your request was as follows:

Under Freedom of Information Act I would like to request the following information:

- Admissions to A&E of children aged under 18 with symptoms of allergic reaction (hives/vomiting/swelling/wheeze) or anaphylaxis who have either, 1. been conveyed by ambulance from a school or education setting 2. been admitted on a weekday during 8.30-4pm. Please also provide quantities of children then admitted to wards or ICU from this cohort.
- Please break down the information by year from 2016-present. For each child, please clarify their symptom category, whether they were conveyed or self-presented, whether they were admitted to ward, whether they were admitted to ICU, length of stay

We are seeking to understand the quantity of children experiencing allergic reactions at school, and the subsequent impact.

The Walton Centre NHS Foundation Trust is a Specialist Neuroscience Tertiary Care Centre; we do not have an A & E Department. Therefore, we cannot provide this information.

Please see our response above in [blue](#).
