Re: Freedom of Information Request FOI 6257

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 04th April 2024.

Your request was as follows:

Please provide the total number of patients treated with a non-British national code (i.e not White British, Asian British or Black British etc.) for the last three financial years, or the last years for which you have statistics. Please also provide the total number of patients treated.

[Please see the attached Excel spreadsheet. \(Information for each individual year requested is on an individual tab\)](#)

What is the total amount in charges you have issued for treatment given to non-UK nationals for the last three financial years, or the last three years for which you have statistics. What is the amount that you have successfully recovered over the same time period?

For both questions I would like the figures for each year, not one figure covering all three years.

[As above.](#)

Please see our response above in [blue](#).
