Re: Freedom of Information Request FOI 6281

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 17th April 2024.

Your request was as follows:

Please can you confirm if Walton Hospital have ever performed operations on Tarlov cysts and please confirm the number of operations performed on Tarlov Cysts?

I can confirm the Walton Centre NHS Foundation Trust have performed operations on Tarlov cysts.

However, I can confirm in accordance with Section 1 of the Freedom of Information Act 2000 (FOIA) that we do not hold the information you have requested in relation to the number of operations, as the code used for these procedures are not exclusive to Tarlov cysts. Therefore we cannot provide this information.

Under the FOIA, we are not required to create this information in order to answer your request. I should explain that the FOIA is to do with transparency of information held by public authorities. It gives an individual the right to access recorded information held by public authorities. The FOIA does not require public authorities to generate information, or to answer questions, provide explanations or give opinions, unless this is recorded information that they already hold.

Please see our response above in [blue](#).

Under the terms of the Regulations, the Trust will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however the Trust reserves the right, in certain circumstances, to charge a fee for the re-use of some information which it deems to be of commercial value.

Further information can be found at www.opsi.gov.uk where a sample license terms and fees can be found with guidance on copyright and publishing notes and a Guide to Best Practice and regulated advice and case studies, at www.opsi.gov.uk/advice/psi-regulations/index.htm

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review.
