Re: Freedom of Information Request FOI 6239

We are writing in response to your request submitted under the Freedom of Information Act, received in this office on 21st March 2024.

Your request was as follows:

The number of Datix incidents logged involving patient misidentification, broken down by category of harm if possible, for each of the five following calendar years: 2019, 2020, 2021, 2022, 2023.

If the trust did not or has stopped using Datix during this time period, please would you also provide details of incidents involving patient misidentification reported on any equivalent safety reporting system used by the trust.

For the years requested, the Walton Centre NHS Foundation Trust had the following number of incidents involving patient misidentification:-

2019 - 11
2020 - 7
2021 - 6
2022 - 8
2023 - 10

I can confirm all incidents listed above were categorised as 'No obvious harm'.

Please see our response above in [blue](#).
